

HOWARD COUNTY BRAC TASK FORCE

BRAC BIT: #47

DATE: 22 July 2009

SUBJECT(S): NSA Infrastructure Growth, BRAC Subcabinet Meeting

POINT OF CONTACT: Kent Menser (410-313-6521) kmenser@howardcountymd.gov

DISCUSSION:

1. Regional Growth Management Committee (RGMC) Missed It! On 2 July 2009, there was an entry in the Federal Register titled: "*Intent to Prepare an Environmental Impact Statement for Campus Development Project Within the Fort Meade Complex, MD.*" Further on it states; "...to meet the National Security Agency's continually evolving requirements and for Intelligence Community use." Because we did not see the notice in the local paper, we did not know about an open house and public scoping meeting held on 21 July at 4 PM, until 21 July 3 PM! We did make the meeting and I have attached appropriate information and comment handouts that you can review and submit as you deem appropriate. Comments must be submitted not later than 45 days after the 2 July Register entry (15 August 2009). Call me if you have any questions. Again, sorry about the delay.

2. Maryland BRAC Subcabinet Meeting in the Fort Meade Region:

- a. Team, as per my previous "BRAC BITS," the Maryland BRAC Subcabinet will be meeting at Fort Meade from 2-3 PM on 27 July. Meeting Address:
 - i. Fort Meade Middle School
 - ii. Cafeteria/Multipurpose Room
 - iii. 1103 26th Street
 - iv. Fort George G. Meade, Maryland 20755
 - v. Note: This school is just off Highway 175 inside the Meade High School "Compound." You do not have to go through Fort Meade security to get to it. The gate to this location is always open, no guard post. Send Kent Menser an email if you have any questions on this event. kmenser@howardcountymd.gov
 - vi. No reservations required!
